The fail [To you who I trust]

何事も失敗をしてからが大切 失敗したからといって止めるのではなく、同じ失敗を繰り返さないように次はどうすべきかが大切。

It's important to do everything after you fail.

It's is important not to stop just because you have failed, but to know what to do next so that you do not repeat the same mistake.

失敗は無駄ではない経験の一つ そして経験はおおいなる宝物の一つ。

People who decide not to repeat the same mistake next time are wonderful.

People who decide to do their best next time are wonderful.
